Dear Chad,

We brought you an exterior design and a floor plan and, Chad, you put those ideas into a blueprint and then reality. Your roof design really enhanced the architecture. Thank you!

Thank you for allowing us to follow the construction process and inspect each phase. We were able to see the quality of materials and excellent craftsmanship of each team of vendors.

We had a theme and you carried it throughout the construction giving our house a unique and original design.

We feel your warrantee is outstanding! Any item posted for attention was corrected immediately and meticulously! This warrantee is such a positive addition for any home buyer. There's never a worry when you buy a home from K & L Homes!!

So – THANK YOU – Chad, Clint, Michelle, Scott and all the marvelous vendors for building us a house that has become a home we are proud of!

Sincerely,

*Tracey and Deb Walth*
